Social skills and competences

I like to work independently with responsibility, but as former basketball player, member of different civil organisations or leader of organisations I learned to play and work in team.

Organisational skills and competences

As the executive director of a national NGO I learned to manage more than 20 projects at the same time. As project manager I lead research, construction, and different kinds of education projects.

Computer skills and competences

Good command of Microsoft Office, Archicad, Adobe Photoshop, EnergyPlus, Heat3D programs and with HTML.

Other skills and competences

I like sports like basketball, Aikido, jogging, canoeing and gardening.

Driving licence

I have driving licence category B since 1990.

Additional information**My research activities**

- Possibilities of adobe constructions in Hungary (1995-2008)
- Possibilities of sustainable building and constructions (1996-)
- Possibilities of regional autonomy in landscape and urban planning (1998-)
